

Dear Ma'am/Sir,

Greetings of the day

I hope this message finds you well.

I am Abhishek Bahuguna from Pearl Organisation, Dehradun (UK) working on your project i.e **Unifinder**.

This week I worked on the below functionality.

01. Added some changes on exam page ui.

02. Added syllabus section.

JEE Main 2023 Syllabus

JEE Main Paper 1 Syllabus

Mathematics

Sets, relations, and functions

Sets and their representation: Union, intersection and complement of sets and their algebraic properties; power set; relation, type of relations, equivalence relations, functions; one-one, into and onto functions, the composition of functions

Complex numbers and quadratic equations

Complex numbers as ordered pairs of reals, representation of complex numbers in the form $a + ib$ and their representation in a plane, argand diagram, algebra of complex number, modulus and argument (or amplitude) of a complex number

Square root of a complex number, triangle inequality, quadratic equations in real and complex number system and their solutions relations between roots and coefficient, nature of roots, the formation of quadratic equations with given roots

JEE Main Paper 1 Syllabus

Matrices, algebra of matrices, type of matrices, determinants, and matrices of order two and three, properties of determinants, evaluation of determinants, area of triangles using determinants

Adjoint and evaluation of inverse of a square matrix using determinants and elementary transformations, test of consistency and solution of simultaneous linear equations in two or three variables using determinants and matrices
