

## IMPORTANT - Till Date Project Update

Hi Sir/Mam,

Greetings of the day

I hope you are doing well or I hope this email finds you well . The email acknowledges till date work done on your FunClasses Project. Please find the below current status of your project for your reference .We have attached a certain screenshot. Note- Kindly please acknowledge the email . If you have certain update please share with us

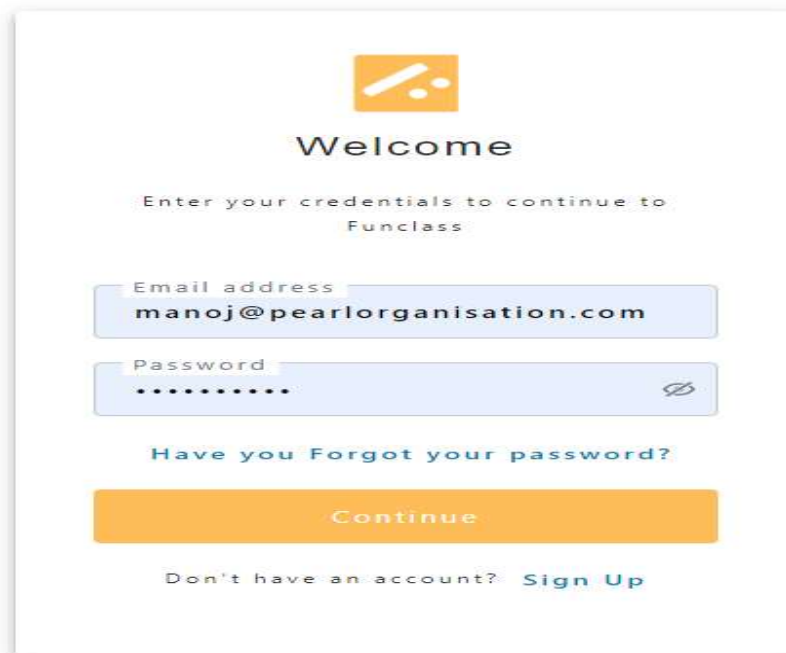

### 1.Integrate Api on Register Page

The screenshot shows a registration form with the following elements:

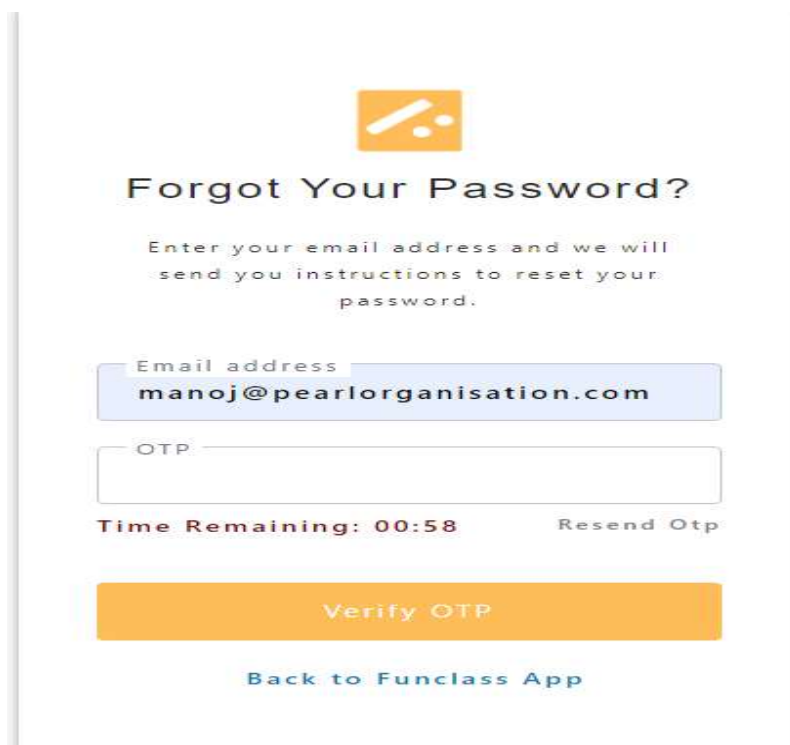

- Logo:** An orange square icon with a white diagonal line and two dots, positioned above the word "Register" in a bold, dark blue serif font.
- Email Input:** A light blue rounded rectangular field containing the text "manoj@pearlorganisation.com".
- Email Label:** A white rounded rectangular field with the placeholder text "Enter email".
- Password Input:** A light blue rounded rectangular field containing a series of dots "....." and a small "X" icon on the right side.
- Create Account Button:** An orange rounded rectangular button with the text "Create an account" in white.
- Login Link:** Text below the button that reads "You already have an account? [Login](#)".

## 2. Integrate Api on Login Page

The login page features a white background with a light gray border. At the top center is an orange square logo with a white stylized 'P' and two dots. Below the logo is the heading 'Welcome' in bold black text. Underneath is a subtitle 'Enter your credentials to continue to Funclass' in a smaller, lighter gray font. There are two input fields: the first is labeled 'Email address' and contains the text 'manoj@pearlorganisation.com'; the second is labeled 'Password' and contains a series of dots, with a small eye icon to its right. Below the password field is a link 'Have you Forgot your password?' in blue. At the bottom of the form is a large orange button labeled 'Continue'. Below the button is a link 'Don't have an account? Sign Up' in blue.

## 3. Integrate Api on Forgot password

The forgot password page has a white background with a light gray border. It features the same orange logo as the login page. The heading is 'Forgot Your Password?' in bold black text. Below it is a subtitle 'Enter your email address and we will send you instructions to reset your password.' in a smaller, lighter gray font. There are two input fields: the first is labeled 'Email address' and contains 'manoj@pearlorganisation.com'; the second is labeled 'OTP' and is empty. Below the OTP field is a timer 'Time Remaining: 00:58' in red, followed by a link 'Resend Otp' in blue. At the bottom is a large orange button labeled 'Verify OTP'. Below the button is a link 'Back to Funclass App' in blue.
